2025 Montana Mining Association Annual Meeting Info Sheet

Updated 4/29/2025

July 14–16 | Copper King Hotel & Convention Center | Butte, MT “Securing America’s Critical Mineral Supply Chain”

Join us in historic Butte for the Montana Mining Association’s signature event — an exciting three days of programming, networking, exhibits, and recreation that brings together Montana’s mining professionals, regulators, suppliers, and stakeholders.

Explore the increasingly vital role critical minerals are playing in powering the technologies of tomorrow—from clean energy to defense systems—and discuss how Montana is uniquely positioned to capitalize on this global demand. We’ll examine opportunities to grow our state’s economy, create jobs, and play a key role in securing America’s critical mineral supply chain for the future.

We look forward to seeing you there!

Sponsorship Opportunities

We couldn't host this event—or continue our great work year-round—without the support of our generous sponsors.

All sponsorships include name and logo recognition in printed and digital materials (as long as print deadlines are met). Premier sponsors will also receive special recognition leading up to their sponsored event and prominent visibility throughout it.

Sponsorship is a great way to get your company in front of key industry professionals!

Please note: many sponsorship levels include complimentary registrations. If you're purchasing individual registrations, be sure to account for any that may be included with your sponsorship.

Trade Show & Exhibitor Info

This is a great opportunity for our Associate Members to showcase their products and connect directly with mine operators and industry professionals. With dedicated time built into the event for networking, exhibitors will enjoy valuable face-to-face engagement with both new and existing customers.

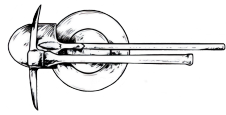

Exhibit space in the main conference room will be prioritized for members and allocated on a first-come, first-served basis as space allows. To maximize your chances of securing a booth in the main conference area, we encourage you to become a member and register early. Each exhibitor booth includes one 8-foot table.

Exhibitors are welcome to bring pop-up banners, product displays, branded materials, and company swag to help make their booth stand out. In past years, these additions have helped draw in attendees and spark meaningful conversations.

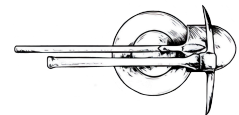

The deadline to reserve an exhibitor booth is **July 1st**.

For more information, please contact Ben Raffety at ben@anvilmt.com.
